FAQs

At what age are you able to move into Independent Living?

Wesley Enhanced Living communities welcome seniors in their sixties or better.

What services are available at Wesley Enhanced Living?

As a **Continuing Care Community (CCRC)**, Wesley Enhanced Living offers Independent Living, Personal Care, Skilled Nursing and Rehabilitation, and Memory Care. Our **levels of care** vary by location. Your community salesperson can explain to you how our care continuum is there for you within the Wesley Enhanced Living community network. We offer everything you need to live a worry-free retirement lifestyle; enjoy delicious, chef-prepared meals in our pleasing dining venues, take comfort knowing you have 24/7 security, relax and let our staff clean your apartment and take you shopping, and put your mind at ease with one low all-inclusive monthly fee! And know that additional care is on-site for you, should you need it.

What types of senior living apartments are available?

Our affordable senior apartments come in several luxurious and convenient styles. Each of them is distinguished by varying room layouts and sizes. Our apartment homes have all been designed with your comfort in mind. You can check out available floor plans on the Independent Living page of the senior living community of your choice.

Are meals included?

The culinary team at Wesley Enhanced Living provides delicious cuisine in restaurant style settings in each of our communities. The number of meals included in your monthly service fee will vary based on location and level of care.

How long is the wait list for an apartment?

Apartment availability varies based on community location and apartment size.

How much does it cost to live at Wesley Enhanced Living?

Community living can be less expensive than staying at home! At Wesley Enhanced Living, we offer apartment options to fit most budgets. Fees at each of our communities vary and are determined according to location and level of care. Long-term care insurance can cover skilled nursing and personal care daily charges. Every policy is different, so check with your insurance provider for more details.

Is Wesley Enhanced Living pet-friendly?

All Wesley Enhanced Living communities are pet-friendly, with prior authorization and proof of continually updated vaccination records. Residents will be required to sign a Pet Policy with rules and regulations regarding the care and conditions required to maintain your pet in our community.

Can you smoke in your apartment?

All Wesley Enhanced Living communities are smoke-free. Residents can utilize designated smoking areas either on- or off-campus specific to each community.

Do you offer Alzheimer's care on-site?

Wesley Enhanced Living at Stapeley offers **Bridges**, a specialized, secure residence for those who have been medically diagnosed with Alzheimer's Disease or other disorders affecting memory, learning, and/or communication. The daily cost of care includes room and board, meals and snacks, medication and monitoring, assistance with activities of daily living, personal laundry, housekeeping, cable, phone, and specialized staff. Insurance is not accepted at this level of care.

What programs and activities are available?

Wesley Enhanced Living offers a wide variety of entertainment, lecture series, fitness classes, special events and trips! Our **Enhanced Living** model means that we offer programs and activities for seniors with varied interests. Our residents wake up looking forward to their day, knowing that there is always fun to be had! If we don't offer something you're interested in, we'll help you find it, or connect you with other residents with similar interests and start new clubs and activities.
